Design a bulletin board to increase employment, generate local commerce, and attract the public.

Create a floor plan that includes the West and/or East lobbies at Rural Human Services and shows where the bulletin board will go. Show the location of furniture, traffic flow (with arrows), where the staff (receptionist) will sit, where clients will sit, and the location of security cameras (if any) and the direction of coverage. (Hint: Keep the Constitution of the United States in mind).

Create a wall plan for a trial bulletin board with labeled sections that will inspire clients and attract the public. Assume that the bulletin board can be up to 24 ft wide and 4 ft high.
